

9. Machine-washable cloth toys should be used by one individual at a time or should not be used at all and should be laundered before being used by another child;
10. Toys used by a group of children must be washed and sanitized before they may be used by children in a different group or classroom;
11. Items that need to be cleaned should be set aside in a dish pan with soapy water or in a separate container marked for soiled toys;
12. Only bedding (sheets, pillows, blankets, and sleeping bags) that can be washed may be used. Each child's bedding must be kept separate and, to the extent practicable, should be stored in individually labeled bins, cubbies, or bags. Cots and mats should be labeled for each child and any bedding that touches a child's skin should be cleaned weekly or before use by any other child; and
13. Workers should sign children in and out of the facility for families if a computer or keypad system inside the facility is used. If a tablet located outside the facility is used by families during drop-off and pick-up, the tablet must be disinfected after each use. If a paper sign-in system is used for sign-in, writing utensils should be sanitized after each use, if families are permitted to sign children in themselves.

IT IS FURTHER

ORDERED: If the Centers for Disease Control and Prevention issues guidance for the operation of Summer Camps, the provisions of such guidance shall control.

IT IS FURTHER

ORDERED: That no Summer Camps are permitted to host Campers overnight until authorized by the Georgia Department of Public Health.

IT IS FURTHER

ORDERED: That in addition to the applicable requirements for non-critical infrastructure above, Summer Camps **shall** implement additional measures to prevent the spread of COVID-19. Such measures **shall** include, but are not limited to, the following:

1. Placing signage at any entrance to instruct Campers that they cannot enter if they have been diagnosed with COVID-19, have exhibited symptoms of COVID-19, or had contact with a person that has or is suspected to have COVID-19 within the past fourteen (14) days;

2. Placing signage at any entrance and throughout the facility to instruct Campers of the enhanced sanitation procedures, Social Distancing requirements, and other instructions and limitations, as applicable, set forth below;
3. Screening Campers at drop-off and preventing any Camper from entering that exhibits a temperature greater than 100.4 degrees Fahrenheit, cough, shortness of breath, difficulty breathing, other respiratory symptoms, or at least two of the following symptoms: chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell;
4. Requiring that any persons exhibiting a temperature greater than 100.4 degrees Fahrenheit, cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, or new loss of taste or smell at any time while at the Summer Camp shall be separated from the group immediately and must leave the camp facility as soon as practicable;
5. Requiring any Worker or Camper that has stayed home sick, been prevented from entering camp due to signs of illness, or been sent home during camp due to signs of illness shall to not be permitted to attend camp again until they have either had a negative COVID-19 test or have been fever and fever medication free for seventy-two (72) hours, other symptoms have improved, and at least ten (10) days have passed since symptoms first appeared;
6. Requiring parents dropping-off and picking-up Campers to remain in their vehicles;
7. Utilizing contactless forms of Camper check-in and check-out;
8. Implementing staggered drop-off and pick-up times, with specific times for each group of Campers, if practicable;
9. Providing hand sanitizer to Campers as soon as practicable upon drop-off;
10. Prohibiting unnecessary visitors to camp activities and facilities;
11. Discontinuing camp tours;
12. Providing training to Workers on how to identify symptoms of illness in Campers, the proper processes for removing a potentially ill Camper, and the infection mitigation procedures to perform in such an event;
13. Providing an isolation area for sick Workers or Campers;
14. To the extent necessary, limiting groups to twenty (20) persons or less, including Workers and Campers, in a space where all persons gathered cannot maintain at least six (6) feet of distance between themselves and any other person;
15. To the extent possible, keeping the same Workers and Campers in the same group for the duration of the camp;

16. Enforcing Social Distancing between groups, prohibiting Gatherings, and prohibiting congregating among Campers belonging to different groups;
17. Providing a separate designated space for each Camper to store personal belongings throughout the duration of the camp;
18. Prohibiting use of camp facilities and equipment that are not able to be regularly sanitized;
19. To the extent possible, allowing only one group to use camp equipment at a time;
20. Sanitizing camp equipment after each group use;
21. Requiring Workers to patrol camp areas to enforce the equipment sanitization policy and conduct additional cleanings during times when equipment is not being used;
22. If swimming facilities are available, allowing each group to swim only once per day and staggering swimming times to avoid crowding at the swimming facilities;
23. If camp facilities are also open to other patrons, prohibiting contact between Campers and the facility's other patrons and requiring sanitization before and after camp use of any such shared facilities;
24. Providing hand sanitizer stations for Campers and requiring regular use;
25. Requiring Campers to wash or sanitize their hands during each group restroom break, snack break, and meal break;
26. For day camps, if possible, requiring Campers to bring their own lunch and snacks with them to camp each day, with all such food items being in a sealed lunch bag marked with the Camper's name;
27. Requiring all dining facilities to follow the criteria for restaurant dine-in services set forth in Section IV herein to the extent practicable;
28. Requiring Workers to wear gloves when helping Campers open items from meals and snacks;
29. If camp vehicles are used for transporting Campers to and from on or off-site activities, requiring Workers to sanitize each vehicle before and after use;
30. Requiring Workers to clean and sanitize bathrooms and all frequently touched surfaces regularly throughout the opening hours in addition to the regular cleaning schedule. Shared restrooms must be sanitized no less than twice per day;
31. Providing masks or other Personal Protective Equipment to Workers as available and appropriate to the function and location of Workers within the camp facility; and
32. Providing masks or other Personal Protective Equipment to Campers as available and appropriate to the activity and location of Campers within the camp facility; and

33. Overnight Summer Camps shall implement the following additional measures:
- a. Screening Workers and Campers each morning and evening. Persons exhibiting a temperature greater than 100.4 degrees Fahrenheit, cough, , shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, or new loss of taste or smell shall be separated from the group immediately and must leave the camp facility as soon as practicable;
 - b. Requiring Workers to clean and sanitize overnight bunk rooms at least once per day;
 - c. Sanitizing bunks and bunk mattresses at least once per week and before and after use by a new Worker or Camper;
 - d. Limiting camp occupancy to the extent necessary to maintain overnight bunk room occupancy at twenty (20) persons, including Workers and Campers, or less per room;
 - e. To the extent possible, arranging beds and bunk beds in overnight bunk rooms so that beds are six (6) feet apart and in a foot-to-foot style; and
 - f. Requiring a Registered Nurse or Licensed Practical Nurse to be on site during all times that Campers are present at the camp facility to the extent practicable.

ORDERED:

That Code Section 15-11-2(10) relating to the definition of “child” is suspended for the limited purpose of ensuring that persons in the care of the Georgia Division of Family & Children Services who age out of the definition of “child” during the Public Health State of Emergency shall be eligible to remain in their placement and continue to receive services for a duration of ninety (90) days following the termination of the Public Health State of Emergency or any extension thereof. This suspension shall apply to Code Section 15-11-2(10), effective until July 1, 2020, and upon expiration to Code Section 15-11-2(10), effective July 1, 2020. That any Georgia Division of Family & Children Services policies shall also align with this provision.

IT IS FURTHER

ORDERED:

That no provision of this Order shall limit, infringe, suspend, or supplant any custodial arrangements created pursuant to the laws or constitution of this State or the laws or constitution of the United States, nor shall any person use any provision this Order as a defense to an action in violation of a custodial arrangement by any court

created pursuant to the laws or constitution of this State or the laws or constitution of the United States.

VIII. GOVERNMENTS

IT IS FURTHER

ORDERED: That the Human Resources Administration of the Department of Administrative Services shall promulgate guidance for the reopening of state offices and the return of teleworking state employees to in-office environments.

IT IS FURTHER

ORDERED: That the requirements of Code Section 36-70-27 and 50-8-8 are hereby suspended to the extent that they would prevent local governments from being eligible to receive state funding for expenditures made during the current Public Health State of Emergency related to the prevention, treatment, or mitigation of COVID-19.

IT IS FURTHER

ORDERED: That the audit reporting deadline imposed upon local governments by Code Section 36-81-7(d) is hereby extended by ninety (90) days for any local government that by virtue of their fiscal year end date will have an audit due at any time during the Public Health State of Emergency or within ninety (90) days after the Public Health State of Emergency is terminated or ceases to be renewed by the Governor.

IT IS FURTHER

ORDERED: That the deadline for submission of the local government finances reports and local government indebtedness reports required of local governments under Code Section 36-81-8 shall hereby be extended by ninety (90) days for any local government that by virtue of their fiscal year end date will have such reports due during the Public Health State of Emergency or within ninety (90) days after the Public Health State of Emergency is terminated or ceases to be renewed by the Governor.

IT IS FURTHER

ORDERED: That the grant certification form reporting deadlines imposed upon local governments by Code Section 36-81-8.1 are hereby extended by ninety (90) days for any local government that by virtue of their fiscal

year end date will have a grant certification form due at any time during the Public Health State of Emergency or within ninety (90) days after the Public Health State of Emergency is terminated or ceases to be renewed by the Governor.

IT IS FURTHER

ORDERED: That county and municipal governments are authorized and empowered to make, amend, and rescind such orders, rules, and regulations as may be necessary for emergency management purposes and to supplement the carrying out of this Order, but such orders, rules, and regulations shall not be inconsistent with this Order or any other orders, rules, or regulations promulgated by the Governor or by any state agency exercising a power derived from the Public Health State of Emergency declaration. For the purpose of this provision, orders, rules, and regulations that are promulgated by county and municipal governments that are more or less restrictive than the terms of this Order shall be considered inconsistent with this Order.

IT IS FURTHER

ORDERED: That the operation of Critical Infrastructure shall not be impeded by county, municipal, or local ordinance.

IX. ENFORCEMENT

IT IS FURTHER

ORDERED: That the state agencies with primary regulatory authority over the entities listed in this Order and the Commissioner of the Department of Public Safety shall provide resources as requested to assist in the enforcement of this Order.

IT IS FURTHER

ORDERED: That pursuant to Code Section 38-3-7, any person who violates this Order shall be guilty of a misdemeanor. Officials enforcing this Order should take reasonable steps to provide notice prior to issuing a citation or making an arrest. No provision of this Order shall limit the ability of law enforcement officers to enforce the laws of this State. Particularly, the provisions of Code Section 38-3-4 remain in effect, and all law enforcement is authorized to enforce the Orders issued pursuant to Title 38, Chapter 3.
